

agreements. These fees will go against the settlement's purpose of ensuring that players (many whom have been living ALS, Alzheimers, Parkinsons and Dementia) receive adequate compensation for their injuries and suffering. As wives and caregivers, we have struggled to keep the family unit intact on a shoestring budget, while managing the burden of their costly care. Our husbands need every penny they are entitled to receive out of this settlement. We have helped them manage to live on their substandard NFL pensions, especially the ones who played prior to 1993. Many of our men are now either gone or completely "lost" to us. We have chosen to stand by them because we realize they were victims. They were not properly educated on the risks of concussions, let alone how to identify a concussion and were in fact encouraged to continue playing immediately following concussions. There were no protocols in place when our husbands played. We ask simply that our husbands be treated with the same honor, dedication and care they showed their NFL teams when they played. They gave their lives to the game and we thank you for acknowledging our concerns. We await your thoughtful reply.

Sincerely,

NFL Players' wives

Litigation, No. 2:12-md-02323***

Name of Retired Player:

Evan Pilgrim

Address:

409 Southern Style Dr. Holly Springs NC 27540

Telephone No: 248.894.8076

Date of Birth: 8/14/72

If applicable, Name of Representative or Derivative Claimant:

Dear Judge Brody:

I object to the petition for attorneys' fees, costs and 5% holdback on awards because I don't think it's fair that Class Counsel take any funds from my monetary award to pay for attorneys' fees for post-settlement work. The NFL has already agreed to pay Class Counsel \$112.5 Million to cover their fees and expenses in connection with the settlement and Class Counsel agreed to accept it.

I am concerned that I will be left with inadequate funds to pay for my present and/or future medical care after the attorneys take out their fees.

I am (was) signed to a ____% contingency fee agreement with
N/A law firm for individual representation
in this settlement.

Additional details I would like to share:
